

503D

Characteristic :

- Electric spin scrubber
- Voltage:7.4V battery
- Two speed control
- Different clean head
- Three angle to choose of clean head
- Adjustable angle and length

Standard accessories :

Charger

Sharp brush

Flat brush

Round brush

Parameter :

Power	Battery	Working time	Charging time
30W (± 10 W)	2000mAh*2	high speed:70min low speed:90min	4h

Loading

1600pcs /3400pcs /3900pcs

B2008

Characteristic :

- Electric spin scrubber
- Voltage:7.4V battery
- Two speed control
- Different clean head
- Three angle to choose of clean head
- Adjustable angle and length

Standard accessories :

Charger

Sharp brush

Flat brush

Round brush

Parameter :

Power	Battery	Working time	Charging time
30W (±10W)	2000mAh*2	high speed:70min low speed:90min	4h

Loading

1600pcs/3400pcs/3900pcs

H08

Characteristic :

- Cordless handy 2 in 1 vacuum cleaner
- Detachable battery pack (6 cells)
- Safety Protection
- Cyclone filter system
- Washable filter
- Metal filter
- Powerful suction
- Two step speed regulation
- Electric brush with LED floodlight in the front

Standard accessories :

Combination brush

Gap cleaning
suction head

Wall bracket

Charger

Parameter :

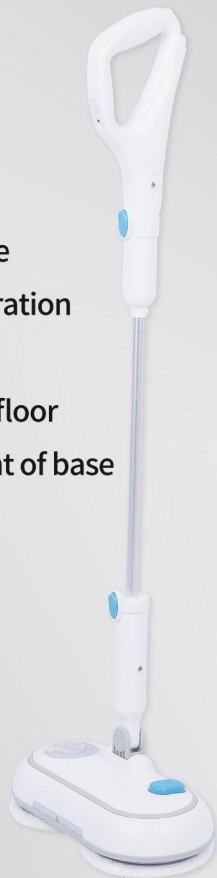

Power	Battery	Working time	Vacuum
BLDC 200W	22.2V	12-15min/high speed 32-35min /low speed	Min Vacuum: ≥ 9 KPA Max Vacuum: ≥ 18 KPA

Dust capacity	Loading
0.8L	1050pcs/2100pcs/2400pcs

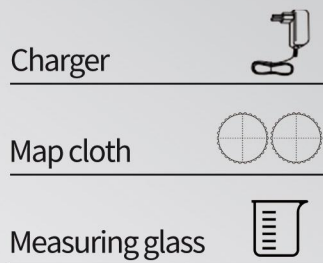

M1803

Characteristic :

- Multifunctional waxing machine
- Li-ion battery type ,easy to operation
- Battery parameter:2000mAh*2
- 2pcs rolling mop cloth to clean floor
- Spray water function in the front of base
- Water tank mouth on the top ,
easy to add water
- LED floodlight in the front

Standard accessories :

Parameter :

Power	Battery	Working time	Charging time
30W (+/-5W)	2000mAh*2	dry towing>50min wet towing>30min	4.5h

Water tank capacity	Loading
110ML	1000pcs/2050pcs/2250pcs

M1805

Characteristic :

- Multifunctional waxing machine
- Li-ion battery type ,easy to operation
- Battery parameter:2000mAh*2
- 2pcs rolling mop cloth to clean floor
- Spray water function in the front of base
- Water tank mouth on the top ,
easy to add water
- LED floodlight in the front

Standard accessories :

Charger

Mop cloth

Measuring glass

Parameter :

Power	Battery	Working time	Water tank capacity
30W(\pm 5W)	7.4V	30min wet use 50min dry use	110ml

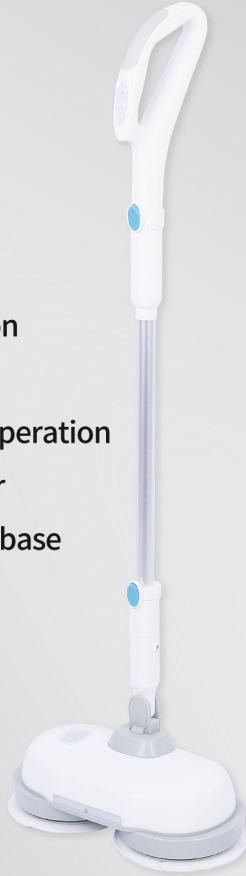

Loading

1000pcs/2050pcs/2250pcs

M1901

Characteristic :

- Multifunctional waxing machine
- 2 speed control
- Li-ion battery type ,easy to operation
- Battery parameter:22000mAh*4
- Super silence motor ,comfortable operation
- 2pcs rolling mop cloth to clean floor
- Spray water function in the front of base
- Water tank mouth on the top ,
easy to add water
- LED floodlight in the front
- Detachable battery pack

Standard accessories :

Charger

Map cloth

Measuring glass

Parameter :

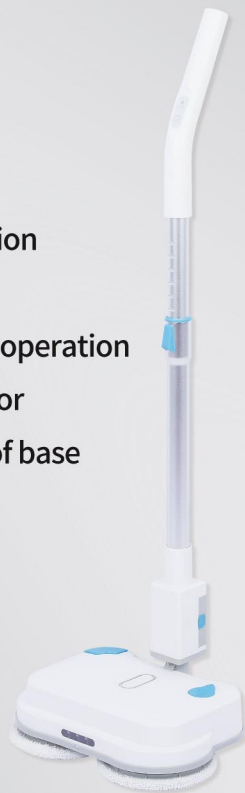

Power	Battery	Working time	Charging time
50W (+/-10W)	2200mAh*4	dry towing>50min wet towing>30min	5h

Water tank capacity	Loading
140ML	900pcs/1800pcs/2100pcs

M1906

Characteristic :

- Multifunctional waxing machine
- Li-ion battery type ,easy to operation
- Battery parameter:2600mAh*4
- Super silence motor ,comfortable operation
- 2pcs rolling mop cloth to clean floor
- Spray water function in the front of base
- Water tank mouth on the top ,
easy to add water
- LED floodlight in the front
- Detachable battery pack

Standard accessories :

Charger

Map cloth

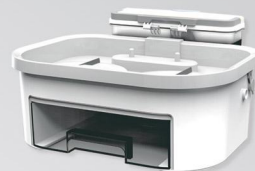

Measuring glass

switch

water tank

Parameter :

Power	Battery	Working time	Charging time
50W (+/-10W)	2600mAh*4	60min	3.5h

Water tank capacity	Loading
250ML	560pcs/1140pcs/1360pcs

M1909R

Characteristic :

- Multifunctional waxing machine
- Li-ion battery type ,easy to operation
- Battery parameter:2000mAh*2
- Super silence motor ,comfortable operation
- 2pcs rolling mop cloth to clean floor
- Spray water function in the front of base
- Water tank mouth on the top ,
easy to add water
- LED floodlight in the front
- Detachable battery pack
- Power display

Standard accessories :

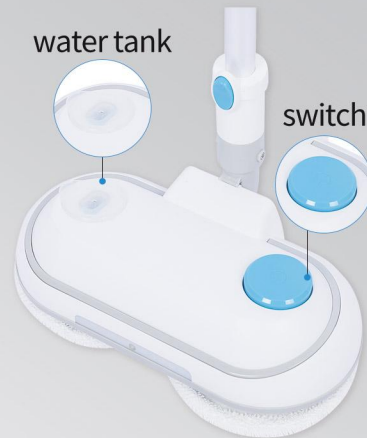

Charger

Map cloth

Measuring glass

Parameter :

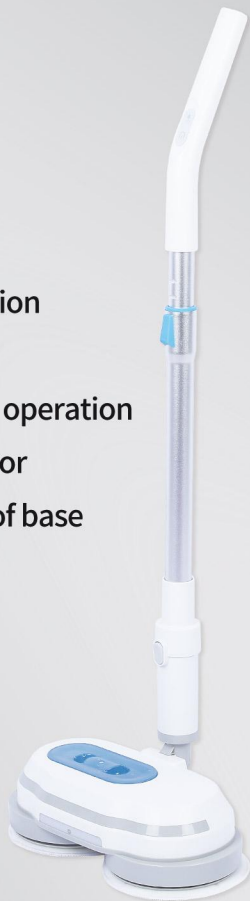

Power	Battery	Working time	Charge time
30W (+/-10W)	2000mAh*2	dry towing>50min wet towing>30min	4.5h

Water tank capacity	Loading
120ML	810pcs /1670pcs /1900pcs

M2003

Characteristic :

- Multifunctional waxing machine
- Li-ion battery type ,easy to operation
- Battery parameter:2200mAh*4
- Super silence motor ,comfortable operation
- 2pcs rolling mop cloth to clean floor
- Spray water function in the front of base
- Water tank mouth on the top ,
easy to add water
- LED floodlight in the front
- Detachable battery pack
- Detachable and transparent
water tank

Standard accessories :

Charger

Map cloth

Measuring glass

water tank

Parameter :

Power	Battery	Working time	Charging time
50W (+/-5W)	2200mAh*4	dry towing>50min wet towing>30min	4.5h

Water tank capacity	Loading
150ML	824pcs/1760pcs/2000pcs

MC2009

Characteristic :

- Mop vacuum cleaner
- There are mop and water tank at the bottom, which can clean the smudge on floor
- Suction in front and mopping after, independent water spraying button, finger pressure switch to control dust cleaning, which can prolong discharge time
- With 4 LED lights in the front, to help to clean the dark corner

Standard accessories :

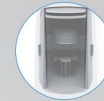

Measuring glass

Charger

dust tank

mop cloth

water tank

Parameter :

Power	Battery	Working time	Vacuum	Charging time
130w	2000mAh*3	10 min	6kpa-14kpa	4 h

Dust capacity	Loading
0.25L	1010pcs/2050pcs/2400pcs

RH001

Characteristic :

- Handy vacuum cleaner
- Portable design convenient to use
- HEPA filter and metal filter system
- Floodlight in front to clean dark place
- Power indicator
- With a base to store accessories
- Detachable battery pack
- Type C wide charging way 5-12V
- Separated main PCB and battery PCB to reduce failure rate
- Two step speed regulation

Standard accessories :

Combination brush 

Wall bracket 

Charger 

Parameter :

Power		Work time		Battery
90W BLDC 100 W normal DC motor		high speed : 10min low speed : 20min		2200mAh*2
Vacuum	Charging time	Dust capacity	Loading	
high speed : 11kPa low speed: 5.5 Kpa	3.5h	65mL	2500pcs/5400pcs /6800pcs	

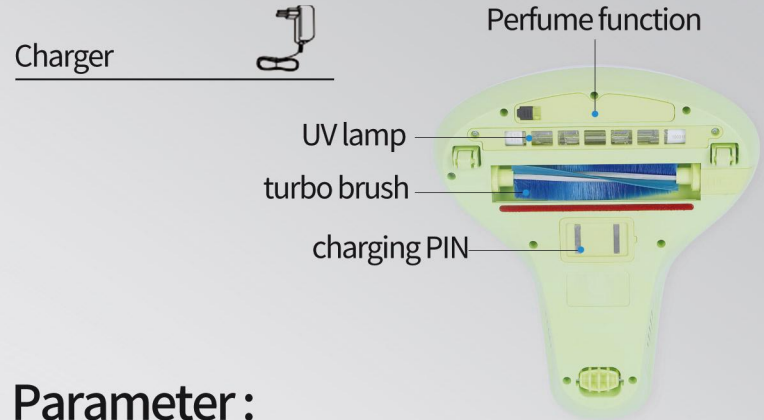

SV608

Characteristic :

- Dust Mite Controller
- 14.6V li-ion battery to support powerful suction
- HEPA filter
- Vibration function
- UV light to kill dust mite and bed bugs
- Micro-move UV safety Switch
- Rolling brush in the front to collect dust

Standard accessories :

Parameter :

Power	Battery	Working time	Vacuum
100W (+/-10W)	low speed:50min high speed:23min	2600mAh*4	5kpa

Charging time	Dust capacity	Loading
4-5h	0.4L	1500pcs/3300pcs/3700pcs

SV1801

Characteristic :

- Dust Mite Controller
- 14.8V li-ion battery
- HEPA filter
- Vibration function
- Heating function
- UV light to kill dust mite and bed bugs
- Push auto release dust box

Standard accessories :

Charger

heating function

UV lamp

vibration

Parameter :

Power	Battery	Working time	Vacuum
100W (+/-10W)	2200mAh	19min	5kpa

Charging time	Dust capacity	Loading
4 -5h	0.23L	1420pcs/2850pcs/2940pcs

VC601

Characteristic :

- Cordless handy 2 in 1 vacuum cleaner
- Detachable battery pack (6 cells)
- Safety Protection
- Cyclone filter system
- Washable filter
- Powerful suction
- Two step speed regulation
- Detachable out-let filter
- Electric brush with LED floodlight in the front

Standard accessories :

Combination brush

Gap cleaning
suction head

Wall bracket

Charger

Parameter :

Power	Work time	Battery	Vacuum
BLDC 200W-250W	low speed: 30min high speed: 15min	2200mAh	high speed: $\geq 18\text{Kpa}$ low speed: $\geq 9\text{Kpa}$

Charging time	Dust capacity	Loading
about 4.5h	0.5L	1050pcs/2100pcs/2400pcs

VC1806

Characteristic :

- Car vacuum cleaner
- Handy vacuum cleaner
- Portable design
- HEPA filter and metal filter system
- One touch release dust function
- With a base to store accessories
- Speed control
- 14.8V powerful suction motor
- Two step speed regulation

Standard accessories :

Charger

Parameter :

Power	Battery	Working time	Vacuum
100W (+/-5W)	2200mAh*4	18min	≥10 Kpa

Charging time	Dust capacity	Loading
4-5h	0.12L	2200pcs/4500pcs/5100pcs

VC1903

Characteristic :

- Handy vacuum cleaner
- Portable design
- HEPA filter and metal filter system
- One touch release dust function
- With a base to store accessories
- Two step speed regulation

Standard accessories :

Charger

Parameter :

Power	Battery	Work time	Vacuum	Charging time
80W (+/-5W)	2000mAh*2	12min	≥5 Kpa	4-5h

Dust capacity	Loading
0.12L	2580pcs/5180pcs/5940pcs

VC1903R

Characteristic :

- Handy vacuum cleaner
- Portable design
- HEPA filter and metal filter system
- One touch release dust funtion
- With a base to store accessories
- Two step speed regulation

Standard accessories :

Charger

Parameter :

Power	Work time	Battery	Charging time
80W (+/-5W)	12min	2000mAh*2	4-5h

Dust capacity	Loading
0.12L	2580pcs/5180pcs/5940pcs

VC2001

Characteristic :

- 3 speed control
- Upgraded high torque electric brush, easy to clean the carpet
- Upgraded velvet roller, refuse hair twining bothering
- Electric brushes with LED light
- 5layers filtration, high efficiency filtration with MIF or HEPA
- Battery detachable design

Standard accessories :

Combination brush

Gap cleaning suction head

Wall bracket

Charger

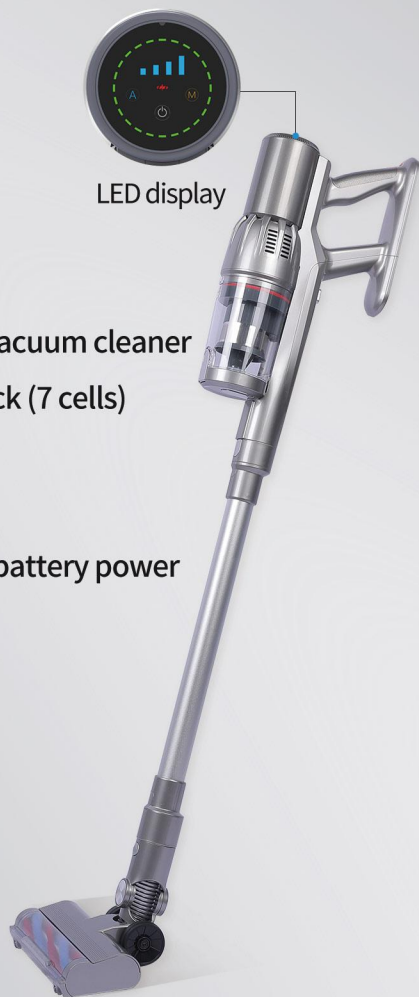

Parameter :

Power	Battery

让科技产生价值 Creating Value With Technology

专注 FOCUS

集中精力、全神贯注、专心致志。
Concentrate, Focused, Single-minded.

诚信 INTEGRITY

立身处世，当以诚信为本。
To establish oneself and deal with the world,
one should take integrity as the foundation.

拼搏 PERSEVERANCE

用自己的所有不顾一切地极度努力。
To put in all of one's effort and strive relentlessly
regardless of any obstacles.

生产优势

PRODUCTION ADVANTAGE

全员参与品控管理，提升
产品质量，全面实行精工生
产，严格按照SOP作业。

服务优势

SERVICE ADVANTAGES

致力给客户满意的服
务，准时的交期，可靠的产
品，负责的售后保障。

技术优势

TECHNICAL ADVANTAGES

科研力量雄厚、人才储
备充分、生产设备先进。

营销优势
